Le might be made to drag it as low length along until the expiration of his term. In the means time the Radical programme would necessarily be at a stand still, for the President would stand roady with his veto to cleave down all unconstitutional legislation on the one band, and on the other he would be a barrier between the Congress and the Euperem Court, which could not be passed. Hence the scheme of impeachment is worthless unless the suspension of the President is practicable.

No one who will examine the Constitution with care can arrive at any other concinion than that there is not the situation and the registers and the registers and the registers and the supermittend of the president is practicable.

And even in the negroes loose, place them in a condition of political equality with the whites, win their gratitude and thus accurate their voice. It will take only a short time to build the road from Richmond to Simiford.

The Louisville and Nashville Railroad have the cans and docomotives to operate the road, the political and social equal of any in the

Nonthwestern Relief Commission.
We learn from the general agent, Sampel A.
Miller, Esq., taat this commission is now making
very large shipments of corn and provisions to
Mabama, Georgia, and other portions of the think or say. It is one of the most arrogant, this means rather than troughts and anti-Republican proposition and anti-Republican proposition was seened by this means rather than troughts and anti-Republican proposition and anti-Republican proposition was seened by this means rather than troughts actual strength in the district.

The above Ill-natured paragraph appeared in the Louisville Democrat or yesterday. It does not at all surprise us, for it is entirely considered in the composition of the parties in the order of the consisting upon this policy in the Government, and to cause it is also of acknowledgment, stating that the supplies nave been received in due time, and expressing the hands in hier own pocket and build the road, if she wants to "share the profits" of Ken.
